

NOMINATION AND SECONDMENT OF THE NOMINATION OF OLUWATOYOSI ABIKOYE FOR THE POSITION OF A NON-EXECUTIVE MEMBER FROM AFRICA ON THE CALC COUNCIL.

I, Ooreoluwatomi **Bodude**, Deputy Director, Directorate of Legislative Drafting, Lagos State Ministry of Justice, nominate OLUWATOYOSI **ABIKOYE**, (who has accepted this nomination), for consideration as a non-executive member from Africa on the CALC Council.

Oluwatoyosi is a promising lawyer who started her career ten years ago as a Pupil Counsel at the Lagos State Ministry of Justice. From the commencement of her career, she proved she is a go-getter and team player who never misses an opportunity be it big or small, to play a role in making a positive change in our society. This exceptional attribute made her request for posting to the Lagos State Law Reform Commission in February 2018 to join the team responsible for legislative drafting and law reform when I was Head of the Legal Department. Between February 2018 – June 2020, Oluwatoyosi significantly contributed to the research, reform and drafting of over 150 (one hundred and fifty) laws across the 53 Ministries, Department and Agencies of Lagos State, Nigeria.

Consequently, I wholeheartedly nominate her for this position because I know she will be an advocate for advancing the practice of legislative drafting and law reform to enable it be seen for what it is; a tool for improving society. I also believe that she will be instrumental in making CALC known as one of the go-to institutions, for the enhancement of the practice of legislative drafting.

Similarly, I Augustina **Amos**, Chief State Counsel at the Lagos State Law Reform Commission, would like to second OLUWATOYOSI ABIKOYE's nomination because I was her immediate supervisor between June 2020 – March 2021, and can attest to her sterling qualities.

Yours Faithfully,

Tomi Bodude
